There are plenty of display areas once the courtyard is at capacity.

Once again we will be supporting the **Stars Appeal**, a charity I have been President of since its inception. All donations will go directly to supporting exceptional care and specialist equipment at **Salisbury District Hospital**

On arrival we will be asking for a minimum voluntary donation of £10 Adult & £2.50 Child

For more information see - www.starsappeal.org

THANK YOU FOR YOUR SUPPORT!

PLEASE DRIVE AWAY CAREFULLY!

*As much as I love the sound of screaming engines please respect the accommodating locals of Wilton. More seriously **please respect the safety of the friends, families and children who are watching** or I will be forced to pull the plug on the events going forwards.*

*Burn outs, and drifting and dangerous driving are **NOT** acceptable in this environment....please save for the track where I will hopefully join you !!!*

Please **arrive from 8am onwards**, there is plenty of room for parking once the courtyard is full.
