

WILTON HOUSE CAFE SUMMER MENU

Welcome to Wilton House Café - An independent cafe serving delicious food and run by a lovely team of dedicated staff. We make the majority of our dishes here in our busy kitchen.

We have a small 'Veg Patch' to the rear of the cafe & grow herbs, salad leaves, spinach, chard, edible flowers & much more, so from 'Plant' to 'Plate' is 5 meters!!

Gluten Free & Dairy Free options are available on request.

Please ask for any additional allergen information
